## STRUCTURE, GOVERNANCE AND MANAGEMENT

The Church in Wales is governed by its Constitution, set up under section 13(1) of the Welsh Church Acts 1914, as amended from time to time by its Governing Body. Due to organisational changes currently underway within the Church in Wales the MAC has the same powers as a Parochial Church Council (PCC) with the main difference being the size and coverage of a MAC being much larger than a traditional PCC. The MAC is not a body corporate. Its composition, procedures and powers are regulated by the Constitution, which provides that before assuming office, every Church warden must sign a declaration that he or she will be bound by the Constitution.

The Constitution also provides that the members of the MAC shall be: The Incumbent, Vicars and Assistant Curates; two Church Wardens, one appointed by the Incumbent and one elected at the Annual Vestry Meeting (AVM); two Sub-wardens for each Church where there is more than one Church in the Parish, one appointed by the Incumbent and one elected at the AVM; up to 25 lay members elected at the AVM, 1 co-opted Secretary and Treasurer (if not already ex-officio or elected); and up to 7 further co-opted members.

The elected MAC members are elected at the Annual Vestry Meeting by the members of the congregation who are on the electoral roll of the Parish. All persons over the age of 18 who attend services and are members of the congregation are encouraged to register on the electoral roll and seek election to the MAC.

## OBJECTIVES AND ACTIVITIES

The Church in Wales is a Province within the Anglican Communion and seeks to advance the Christian religion through world-wide mission. The Ministry Area Council's (MAC) objectives are to ensure that Church life and work within Ministry Area of Bro Tudno help to fulfil that mission, both locally and more widely.

The MAC is aware of the Charity Commission's guidance on public benefit in "The Advancement of Religion for the Public Benefit" and have regard to it in their administration of the Ministry Area of Bro Tudno. The MAC believes that, by fulfilling its responsibility to work together with the incumbent in the Ministry Area and co-operate in all matters of concern and importance for the promotion of the whole mission of the Church, pastoral, evangelistic, social and ecumenical, it provides a benefit to the public by:

- providing resources and facilities for public worship, pastoral care and spiritual, moral and intellectual development, both for its members and for anyone who wishes to benefit from what the Church offers;
- promoting Christian values, and service by members of the Churches in the Ministry Area of Llandudno to their communities, to the benefit of individuals and society as a whole.

The MAC is responsible, among other things, for the parochial budget and all expenditure there under, the care and maintenance of Church fabric and of the Churchyards it owns, and for any action or other matter referred to it in accordance with the Constitution, and is the normal channel of communication between parishioners and the Diocesan Bishop.

## Vicar's Annual Report

After the disruption caused by the COVID 19 Pandemic 2022 was a year for some new beginnings as well as a consolation of work that continued during lockdown.

- The Junior Church continues to appeal to younger families as do the monthly family services/communions. Messy church is especially well attended.
- The weekly mid week communion has a regular attendance of around 20 people and the 8 o'clock Sunday morning community is in good heart.
- The weekly attendance at the main Sunday morning service at Holy Trinity remains strong with visitor numbers increasingly in the second half of the year.
- The Summer Orme services are well attended and welcoming as have been the new Compline service in the winter months.
- In the second half of the year major work was undertaken at Holy Trinity to the tower and chancel work. As I write the work continues though we hope it will be completed by Easter. The services have not suffered thanks to the imaginative reordering of the nave complete with drapes and grand piano.
- Fundraising events have been more problematic this year whilst the building work has been taking place with the building closed to visitors and the weekly coffee mornings still on hold post-pandemic.
- Christian Aid has been well supported through the Vicar's sponsored walk between North Wales castles during May. He has also held the Presidency of Cytun, Churches Together in Llandudno, organising occasional events and services and offering support to recently arrived fellow clergy.
- The Friends of St Tudno's remain an appreciated part of the team on the Orme and the church and its grounds are well maintained and cared for by a team of worshippers.
- The Churchwardens, Verger, Treasurer and wider team of helpers in both churches do a huge amount to provide a friendly, inclusive environment in which to worship. Regular bulletins and newsletters are distributed in both email and hard copy form week by week. The Llandudno Ministry Area facebook page is also a visited site to keep in touch with events in the ministry area.

I write this aware that my five-year incumbency is coming to end at Easter when we will relocate to Cardiff for Mary to take up her new role as Bishop of Llandaff. We have had a very blessed time working here in Llandudno with such a committed and faithful team of Christian volunteers. The church should be proud of its outreach to younger families and visitors. The church grounds are kept in a very good condition and both centres of worship feel both loved and cared for. The challenge ahead will be in maintaining the centrality of good hospitality and welcome as central to the church's mission and outreach. An entrepreneurial spirit will also be needed in finding new ways to increase

the church's income streams – maybe the cultural life of the church might be developed, and the church used more as a venue for the visual arts and for occasional concerts?

On behalf of the Ministry Area Council

## **FINANCIAL REVIEW      2022**

This report and financial statement have been compiled to comply with the requirements of the Church in Wales and the Charity Commission as set out in the Statement of Recommended Practice – Accounting and Reporting by Charities.

As in previous years, the Belfry Fund has been incorporated into the Financial Statement. The Car Park is operated by Trinity CP (Llandudno) Ltd. A company which is wholly owned by the Ministry Area.

### **INCOMING RESOURCES**

	<b>2022</b>	<b>2021</b>
	<b>£</b>	<b>£</b>
Planned giving and tax refund	18,926	24,339
Loose collection	10,763	2,175
Donations	12,397	2,305
Donations from car park	53,719	60,450
Investment Income	21,541	16,424
Fund Raising and Fees	11,578	11,666
Legacy	-	10,000
Grants	-	200
Insurance claim	1,120	-
<b>TOTAL</b>	<b>130,044</b>	<b>127,559</b>

The above table compares the different types of income for 2022 to 2021. Income from giving and donations are significantly higher than in the previous year. Whilst income from the car park is lower than in 2021, the relatively small reduction is probably due to the building activities. The overall level of income to the Church is about £12,000 higher than in the previous year when the legacy (which is non-recurring) is discounted. However, due to the need to sell the Church's investments to pay for the building works, the income from investments will be much lower in 2023.

### **RESOURCES EXPENDED**

As indicated in the Statement of Financial Activities, the total income for the year 2022 is £130,044. The total resources expended for the year is £197,393. However, when depreciation charges, which is an accounting adjustment, is excluded the total resources expended figure reduces to £137,866. This leaves a small deficit of £7,822 relating to the day to day running costs of the Church.

The 2022 Bishop's Ministry Fund contribution for Llandudno Ministry Area is £93,000. This sum was paid in full before the end of the financial year.

### **BUILDING AND MAJOR REPAIRS TO THE CHURCHES**

Work started on the Holy Trinity Church Tower and the Chancel roof in May 2022 and is expected to be completed before the end of April 2023. In the absence of other funds, it was agreed that the costs of these works would be met from the sales of unrestricted investments relating to Holy Trinity. The total costs, including fees, for works at Holy Trinity is £429,441.

The major repair work at St. Tudno's started in November 2022 and is expected to be completed before the end of April 2023. This will be funded from restricted investments built up over the years from bequests to St. Tudno's Church. These investments are ringfenced and can only be used according to the terms of the bequests. The total costs, including fees, for works at St. Tudno's is £94,596.

Since Holy Trinity and St. Tudno's are listed buildings, value added tax on the costs of works and fees can be reclaimed. During 2022, VAT totaling £51,376 was recovered.

#### 2023 AND FUTURE YEARS

A big reduction in investment income, the costs of gas and electricity remaining high and the payment into the Bishop's Ministry Fund, currently at £93,000 for 2023, are the major financial pressures which must be addressed to ensure that day to day running costs are within available income.

#### INVESTMENTS

The market value of investments as of 31 December 2022, including endowment funds and restricted funds, totals £351,743. Whilst the market value on a number of shares has decline over the past 12 months, the reduction of £653,622 is due mainly to the sales of investments.

#### RESERVE POLICY

The Church is a registered charity which is required by law to maintain a level of reserve which may be required to meet the costs of unexpected occurrence which will not be covered by insurance. The money required for the building works for Holy Trinity has exhausted the Church reserves. Work needs to be done to determine if the restricted funds could be used if required. Up until now the car park income has been earmarked towards the Bishop's Ministry Fund. If the B.M.F. could be reduced, some of this income could be set aside to build up the required reserves.

This issue does not apply to St. Tudno's since adequate funds are available.

#### RISK MANAGEMENT

The major strategic, business and operational risks have been examined by the Ministry Area Council and systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

**INDEPENDENT EXAMINER'S REPORT  
TO THE MEMBERS OF LLANDUDNO MINISTRY AREA**

I report on the accounts of the Parish for the year ended 31 December 2022 which are set out on pages 8 to 13.

**Respective responsibilities of the Members of Llandudno Ministry Area and examiner**

The members of the Parochial Church Council are responsible for the preparation of the accounts. The members of the Parochial Church Council consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the General Directions given by the Charity Commissioner under section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

**Basis of examiner's statement**

My examination was carried out in accordance with the General Directions given by the Charity Commissioner. An examination includes a review of the accounting records kept by the Parish and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Members of Llandudno Ministry Area concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

**Independent examiner's qualified statement**

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
